Eagle Boards of Review

Key Items

- National Council requires the Eagle application be approved before a Board of review is scheduled.
 - This is obtained by the unit, not the scout.
- In Northern Trail, Boards of Review are scheduled and held at the unit level.
- An Eagle Designee from Northern Trail must represent the Council at the Board of Review.
[Ref: [GTA 8.0.3.0-2](#)]
 - This should be the one who approved the Project, but that is not required.

Eagle Boards of Review

Key Items (cont.)

- The membership of the BOR is selected by the unit and the BOR Chair.
 - The Scout must have no input on who sits on the board. [\[Ref: GTA 8.0.0.3\]](#)
- Scoutmasters and Ass't SM must not sit on the Board of Review. [\[Ref: GTA 8.0.0.3\]](#)
 - They also should not observe because part of the BOR is to evaluate the Scout's experience in the unit and the Scout should feel OK in speaking openly. [\[Ref: GTA 8.0.1.3\]](#)

Eagle Scout Service Project

While a Life Scout, plan, develop, and give leadership to others is a service project helpful to any religious institution, any school, or your community. (The project must benefit an organization other than Boy Scouting.) A project proposal must be approved by the organization benefiting from the effort, your unit leader and unit committee, and the council or district before you start. [You must use the Eagle Scout Service Project Workbook](#), No. 512-927, in meeting this requirement.

--Eagle Scout requirement 5

Important Project Steps

- Four signatures on the Proposal *required before* starting the Final Plan
 - District signature must be last.
- The Eagle Designee who signs the Proposal *should* be the one to sit on the Board of Review.

Not Eagle Projects

- Fundraisers alone.
- Routine Labor.
- (Blood Drives, etc.
– but depends on amount of leadership on the part of the scout.)

Project Proposal

The proposal is an overview, but also the *beginning* of planning. It shows the unit leader and any representatives of a unit committee or district that the following tests can be met.

- The project provides sufficient opportunity to meet the requirement.
- The project appears to be feasible.
- Safety issues will be addressed.
- **Action steps for further detailed planning are included.**
- The Scout is on the right track with a reasonable chance for a positive experience.

Fundraising Application

- After *Project Plan* section in the Workbook
- Not necessary when:
 - Only asking Scout's troop, sponsor and family/friends.
 - Beneficiary's members and family.
 - Receiving discounts on materials.
- Must be approved & signed by Eagle Designee

FAQs

- Is there a minimum numbers of hours required for projects? [**NO**. Must be large enough to show adequate planning & leadership.]
- Can two Life Scouts share the same project? [No. Planning & execution must be separate, however projects may be “adjacent” or consecutive.]
- Must a project be “significant” or have “lasting value?” [No. Adequate leadership must be shown.]

Adult Roles

- **Eagle Designee**
 - A member of the Northern Trail District Advancement committee, specifically designated for this role. He/she represents the Council.
- **Eagle Coach**
 - Assigned by the Unit.
- **Eagle Advisor / Advancement Chair/co-chair**
 - Assigned by the Unit.
- **Chairman of Eagle Board of Review**
 - Assigned by the Unit.

Role of Eagle Designee

- Review & approve the Project Proposal.
This is an opportunity to coach.
 - Represent the Council at the Board of Review.
- *District does not approve Final Plans.*
It is good to review the final plan before the project is carried out; this is not required.

Role of Project Coach

- The coach is the key to success in guiding scouts through the service project process
- Offer advice
- Emphasize things that could create health or safety issues.
- Teach critical path issues (Gantt charts) and work planning (WBS or similar)

Role of Project Coaches

- Remind the scout to share the Final Plan with the project beneficiary
- Act as a consultant
- Review the Final Plan and make suggestions - point out strengths, weaknesses and risks
- Offer advice on how to make a strong presentation at the Board of Review.
- May not be a member of the board.
- Might also be the Eagle Advisor.

Role of Eagle Advisor, Advancement (co-)Chair

- Track & encourage scout's progress on Merit Badges and Leadership positions.
- Ensure Project Proposal & Plan are completed correctly.
- Secure Council approval of Eagle Application & submit final, signed application to Council.
- May not be a member of the Eagle Board of Review.
- Might also serve as Eagle Coach.

Role of Chair of Eagle Board of Review

- Schedule Eagle Board of Review & check references.
May delegate this. In many troops, the Advisor or Advancement chair handles this.
- Conduct the Eagle Board of Review.
Frequently shared with Designee.
- Sign the approved Eagle Application.

Important Application Steps

- Application must be filled out, signed and approved by Council *before* the Board of Review can be *scheduled*
- Take or Email the Application and the Council Advancement Report to either Council office.
- Your Eagle Designee can help with either of these.

What the Scout should bring to the Board of Review

- Approved Eagle Scout Application (provided by the unit)
- Boy Scout Handbook and/or any and all material showing completion of requirements
- Eagle Scout Project Workbook including all signatures, the Final Report. Photos are great, but optional.
- **REQUIREMENT 6.** Take part in a unit leader conference.
