Robert E. Little Service Award

The Northern Trail District committee presents the Robert E. Little Service Award to a scouter who has rendered outstanding service to the scouting movement at the unit and/or district level. It is given primarily for dedicated service, personal effort, and unselfish interest contributed beyond the immediate responsibilities of the position or positions held over a period of years.

Robert E. Little was a scouter in Northern Trail District for many years. He was active at all levels and was always available to lend time and talents to get the job done. He was active with the High Adventure program, Camporees, Training, and Activities. His first trip to Philmont was in the early 40's and his last National staff assignment was to the National Order of the Arrow conference in 1990. His character and commitment to the scouting program is the foundation on which this award is made.
